

MEDITATION FOR THE REAPPEARANCE OF THE CHRIST

Stage I.

After achieving a positive and intended personality quietness, formulate clearly to yourself in your own words, the answers to the following Stage I.

After achieving a positive and intended personality quietness, formulate clearly to yourself in your own words, the answers to the following questions:

1. As a member of the New Group of World Servers, what is my specific fixed intention at this moment of dedicated contact with my soul?
2. Is my concentrated and expressed personality purpose in line with hierarchical intention - as far as I am permitted to know it?
3. Have I - in my own personal daily life - earned the right (because of definite effort and not so much because of success) to stand with those Servers who are now undertaking the work of Preparation?

This is the one time in the meditation where you think of yourself and it is here because it is a method of personality, focused attention and aligns your personality upon the mental plane.

Stage II.

Having answered these three questions in the light of the soul, then say with emphasis:

"Forgetting the things which lie behind, I will strive towards my higher spiritual possibilities. I dedicate myself anew to the service of the Coming One and will do all I can to prepare men's minds and hearts for that event. I have no other life intention."

Stage III.

1. Visualize the world situation as best you can and in terms of your major world interest and with what knowledge of world affairs you may possess. See the mass of people everywhere glowing with a dim light and, here and there, points of brighter light where members of the New Group of World Servers and men and women of spiritual intention and of loving hearts are working for humanity.

2. Then visualize (through the creative imagination) the vivid light of the Hierarchy, streaming towards humanity and slowly merging with the light which is already in men. Then say the first stanza of the Invocation:

"From the point of Light within the Mind of God
Let Light stream forth into the minds of men.
Let Light descend on Earth."

3. Then ponder upon the reappearance of the Christ; realize that no matter by what name He may be called in the many world religions, He is still the same great Identity; reflect and speculate upon the possible results of His appearance. Then say the second stanza of the Invocation:

"From the point of Love within the Heart of God
Let Love stream forth into the hearts of men.
May Christ return to Earth."

4. Endeavor to concentrate your fixed intention to serve and to spread love in your surroundings and realize that in so far as you can do these things you are attempting to blend your personal will with the divine Will. Then say the third stanza of the Invocation:

"From the Centre where the Will of God is known
Let Purpose guide the little wills of men -
The Purpose which the Masters know and serve."

5. Consider practically what you can do in the coming week to further the preparations for the coming of the Christ.

PAUSE

Then sound the OM three times, dedicating the threefold personality to the work of preparation.
